

Tadley Elderly Day Care

Looking for respite care for a loved one.

We provide much-needed respite for carers and their families in the local community 3 days per week (Monday, Wednesday and Friday). Our club meets at The Ambrose Allen Centre, Tadley. RG26 3NQ.

We cater for a variety of needs including Dementia, Stroke and Parkinson's and those who are lonely or isolated.

We have a daily programme of varied activities, tailored to suit all abilities. The day includes a hot two-course lunch and refreshments on arrival and in the afternoon.

A daily fee is charged which includes all activities, lunch and refreshments. No referrals needed.

We care so that you can care for longer.

If you want to find out more, contact Beverley to arrange a visit.
