

What do I like about living in Pamber?

What would make living here better?

How can we protect what we have?

You are invited to help plan the future of Pamber so you can answer these questions and many others

This cannot happen without your involvement and ideas
YOU can Help shape the Future of Pamber

Come on 20 October at 7pm

At Memorial Hall Pamber Heath

What is a neighbourhood plan?

A neighbourhood plan is a new kind of statutory document that a community can put together to influence the future development and growth of their area. The plan will be voted in a referendum, giving it real weight in local government decision making.

Come along and share your ideas with Parish Councillors at Memorial Hall Pamber Heath to find out how you can get involved.

Its your choice, get involved and decide!
